Free Condoms - an update

Recently the C Card scheme in Nottingham has ended. To ensure young people can continue to access free condoms in Nottingham City, the Children's Public Health 0-19 Nursing Service will be restarting the MyCard scheme. This works in a similar way to C Card where young people aged 13 - 19 years can sign up via their school nurse. You will go through a registration process and following that, you can pick up condoms during your school drop-in or request to pick up using the Texthealth service (see page 1).
