

## Children's Public Health 0-19 Nursing Service

# What to expect at the 6-8 week review appointment

## Getting to know your Children's Public Health 0-19 Nursing Service

Your Children's Public Health 0-19 Nursing Service is here to support you.

The team is made up of Health Visitors who are nurses and who have had specialist training in working with children and families to assess and support their health and development needs.

We also have Registered Nurses and skilled support staff who can help you with your child's development and a healthy lifestyle.

## Your baby's 6-8 Week Review Appointment

Now your baby is coming up to 6-8 weeks old a Health Visitor from our team will visit you at home.

We will ask how you are doing, weigh and measure your baby, and ensure they are growing and developing as expected.

Your partner, or anyone who supports you, is very welcome to be with you.

### At the visit we will talk about

- how you are feeling physically and emotionally
- if there is any support you need
- your baby's growth and development
- feeding your baby
- getting to know your baby
- keeping your baby safe
- immunisations and protecting your baby from childhood illnesses
- your contraception choices
